Encore! Ensemble Theatre Workshop 2010 Application Essay Questions

1. Describe (briefly) a performance or piece of theatre that strongly inspired or affected you. How did it affect you?

2. Describe some aspects of your own culture(s) you value, as well as some things you might change (for those with multi-cultural backgrounds, choose the one with the most influence over you). Describe at least one other culture you'd like to become more familiar with, and explain why.

3. What are some non-performance areas of your life where theatre training or studies could prove useful?

4. Personal statement: In a few paragraphs, tell us what you would like to get out of Encore!, as well as what you hope to bring to the program. Without going into your life history, try to let us know as much as possible about you in the process.
